Launched on:
18 JUNE 2026

1

Event Reports

After every event, we send you a report on what representatives from industries said as a whole + market insights + meaningful conclusions

2

C-Suite Connections

Nobody below Director level at C-suite events. Come into the room ready to connect with owners who want to showcase their thinking

3

Media Coverage

Our goal is to partner with premier business and industry magazines to cover you as leaders and write about what we've inspired for the industry

4

Private LinkedIn Group

You could be invited into the Private Leadership Circle under the [A&D Hub LinkedIn Page](#)

About Amal THE FOUNDER

Having spent over a decade working closely with leaders across architecture, interior design, construction, real estate, and manufacturing, Amal Barreto noticed a hunger among leaders for a more intentional network. One that brings together the very people shaping the built environment to exchange ideas and market insights to a point that breaks through silos for cross-industry benefits.
